SUBJECT: **CITY OF COMPTON – COMPTON CAREERLINK – A COMMUNITY  
AND SENIOR SERVICES' WORKFORCE INVESTMENT ACT YOUTH  
PROGRAM PROVIDER – CONTRACT COMPLIANCE REVIEW –  
FISCAL YEAR 2010-11**

We completed a review of the City of Compton – Compton CareerLink (Compton CareerLink or Agency), a Community and Senior Services' (CSS) Workforce Investment Act (WIA) Youth Program provider. Our review covered a sample of transactions from Fiscal Year (FY) 2010-11. The WIA Youth Program is a comprehensive training and employment program for in-school and out-of-school youth ages 14 - 21. CSS paid Compton CareerLink \$609,567 on a cost-reimbursement basis for FY 2010-11. Compton CareerLink serves participants residing in the Second Supervisorial District.

The purpose of our review was to determine whether Compton CareerLink provided WIA services in compliance with WIA requirements and their County contract.

**Results of Review**

Compton CareerLink generally maintained adequate controls to ensure that cash was deposited timely, and revenue was recorded properly. However, Compton CareerLink billed CSS \$12,597 in questioned costs, and did not always comply with WIA and County contract requirements. Specifically, Compton CareerLink:

- Did not accurately report the participants' completion of training on the Job Training Automation (JTA) System as required by WIA Directive LACOD-WIAD08-20 for two (20%) of the ten participants reviewed.

*After our review, Compton CareerLink updated the JTA System to accurately reflect the two participants' activities.*

- Billed CSS \$4,900 for unsupported auto allowances paid to two employees.

*Compton CareerLink's attached response indicates that the expenditures are allowable under the employees' Collective Bargaining Unit Memorandum of Agreement (MOA). However, the MOA expired on June 30, 2009, before the current audit period.*

- Billed CSS \$2,125 (\$125 + \$2,000) for gift cards that were not given to WIA participants.

*Compton CareerLink's attached response indicates that they will repay CSS the \$2,125.*

- Did not submit a copy of their FY 2009-10 Single Audit Report to CSS within nine months as required by Office of Management and Budget Circular A-133. The Single Audit Report was due April 1, 2011.

*Compton CareerLink submitted their FY 2009-10 Single Audit Report on August 1, 2011, five months late.*

- Billed CSS \$5,572 (\$3,231 + \$2,341) for unsupported and inappropriately allocated expenditures, such as utilities and printing. We noted similar findings in our prior years' monitoring reviews of the Agency.

*Compton CareerLink's attached response indicates that they will repay CSS the \$5,572.*

- Did not obtain a tuition cap waiver before establishing an Individual Training Account (ITA) in excess of the County's ITA maximum amount, as required by WIA Directive LACOD-WIAD08-09. Compton CareerLink obtained the tuition cap waiver from CSS after establishing the ITA. We noted a similar finding in our prior year's monitoring review of the Agency.

*Compton CareerLink's attached response indicates that they will obtain tuition cap waivers from CSS before establishing ITAs.*

Details of our review, along with recommendations for corrective action, are attached.

**Review of Report**

We discussed our report with Compton CareerLink and CSS. In their attached response, Compton CareerLink generally agreed with our findings and recommendations. As indicated, the Agency has agreed to repay \$7,697 (\$125 + \$2,000 + \$5,572) of the \$12,597 in questioned costs. CSS management indicated they will resolve the remaining \$4,900 in questioned auto allowances with the Agency in accordance with their Resolution Procedures Directive.

We thank Compton CareerLink management and staff for their cooperation and assistance during our review. Please call me if you have any questions, or your staff may contact Don Chadwick at (213) 253-0301.

FISCAL YEAR 2010-11**

**ELIGIBILITY**

**Objective**

Determine whether City of Compton – Compton CareerLink (Compton CareerLink or Agency) provided services to individuals who met the eligibility requirements of the Workforce Investment Act (WIA) Youth Program.

**Verification**

We reviewed the case files for ten (6%) of 175 participants, who received services from July 2010 through April 2011, for documentation to confirm their eligibility for WIA services.

**Results**

Compton CareerLink maintained documentation to support the eligibility for the ten participants reviewed.

**Recommendation**

**None.**

**BILLED SERVICES/PARTICIPANT VERIFICATION**

**Objective**

Determine whether the Agency provided the services in accordance with the County contract and WIA guidelines. In addition, determine whether the participants received the billed services.

**Verification**

We reviewed the case files for ten participants who received services from July 2010 through April 2011.

**Results**

Compton CareerLink did not accurately report the completion of training on the Job Training Automation (JTA) System as required by WIA Directive LACOD-WIAD08-20 for two (20%) of the ten participants reviewed. The State of California Employment

Development Department and the United States Department of Labor use the JTA System to track WIA participant activities. After our review, Compton CareerLink updated the JTA System to accurately reflect the two participants' activities.

**Recommendation**

1. **Compton CareerLink management ensure staff update the Job Training Automation System to accurately reflect participant completion of training within the established timeframes.**

**CASH/REVENUE****Objective**

Determine whether the Agency deposited cash receipts timely, and recorded revenue in the Agency's records properly.

**Verification**

We interviewed Agency personnel, and reviewed the Agency's financial records. We also reviewed the Agency's bank activity for December 2010 and January 2011.

**Results**

Compton CareerLink deposited cash timely and recorded revenue properly.

**Recommendation**

**None.**

**COST ALLOCATION PLAN****Objective**

Determine whether Compton CareerLink's Cost Allocation Plan was prepared in compliance with the County contract, and used to allocate shared expenditures appropriately.

**Verification**

We reviewed the Agency's Cost Allocation Plan, and a sample of expenditures incurred by the Agency from July 2010 to January 2011, to ensure that the expenditures were allocated among the Agency's programs appropriately.

**Results**

Compton CareerLink's Cost Allocation Plan was prepared in compliance with the County contract, and costs were allocated appropriately.

**Recommendation**

None.

**EXPENDITURES/PROCUREMENT****Objective**

Determine whether expenditures charged to the Program are allowable under the County contract, documented properly, and billed accurately.

**Verification**

We interviewed Agency personnel, and reviewed financial records and documentation for seven non-payroll transactions, totaling \$12,612, billed by the Agency from July 2010 to January 2011.

**Results**

Compton CareerLink billed Community and Senior Services (CSS) \$5,025 in questioned costs. Specifically, Compton CareerLink billed CSS:

- \$4,900 for unsupported auto allowances. The Agency did not maintain appropriate documentation to support the auto allowances paid to two employees. Compton CareerLink indicated that the expenditures were allowable under the employees' Collective Bargaining Unit Memorandum of Agreement (MOA). However, the MOA expired on June 30, 2009. In addition, one of the two employees' personnel files did not contain management approvals for the auto allowance.
- \$125 for five gift cards given to non-WIA participants.

**Recommendations**

**Compton CareerLink management:**

2. Repay CSS \$4,900, or provide adequate documentation to support the auto allowances.
3. Repay CSS \$125.
4. Maintain adequate documentation to support expenditures.

5. Ensure expenditures billed to the WIA Program are for Program-related costs.

#### **ADMINISTRATIVE CONTROLS/CONTRACT COMPLIANCE**

##### **Objective**

Determine whether the Agency had adequate internal controls over its business operations. In addition, determine whether the Agency was in compliance with program and administrative requirements.

##### **Verification**

We interviewed Agency personnel, reviewed their policies and procedures manuals, conducted an on-site visit, and tested expenditure, payroll, and personnel transactions.

##### **Results**

Compton CareerLink maintained sufficient internal controls over its business operations. However, Compton CareerLink did not submit a copy of their Fiscal Year (FY) 2009-10 Single Audit Report to CSS within nine months after the FY end as required by Office of Management and Budget Circular A-133. Compton CareerLink submitted their FY 2009-10 Single Audit Report on August 1, 2011, five months late.

##### **Recommendation**

6. Compton CareerLink management submit a copy of their Single Audit Report to CSS within nine months after the end of the fiscal year.

#### **PAYROLL AND PERSONNEL**

##### **Objective**

Determine whether payroll expenditures were charged to the WIA Program appropriately. In addition, determine whether the Agency obtained criminal background clearances, verified employability, maintained proof of current driver licenses, and maintained proof of automobile insurance for the new employees assigned to the WIA Youth Program.

##### **Verification**

We traced the WIA payroll expenditures invoiced for five employees and five participants, totaling \$28,165, for December 2010, to the Agency's payroll records and time reports. We also reviewed the personnel file for one employee assigned to the WIA Program.

**Results**

Compton CareerLink charged payroll expenditures appropriately to the WIA Program as required. In addition, the Agency obtained criminal background clearances, verified employability, maintained proof of current driver licenses, and maintained proof of automobile insurance.

**Recommendation**

**None.**

**CLOSE-OUT REVIEW****Objective**

Determine whether the Agency's FY 2009-10 final close-out invoices for the WIA Formula, and American Recovery and Reinvestment Act (ARRA) Adult and Dislocated Worker, and Formula Youth Programs reconciled to the Agency's accounting records.

**Verification**

We traced Compton CareerLink's final close-out invoices for FY 2009-10 to the Agency's accounting records. We also reviewed a sample of transactions incurred in July 2009, March 2010, and June 2010.

**Results**

Compton CareerLink's FY 2009-10 final close-out invoices reconciled to the Agency's accounting records. However, the Agency billed CSS \$7,572 in questioned costs. Specifically, Compton CareerLink:

- Did not maintain adequate documentation to support \$3,231 in printing expenditures. The Agency charged \$2,113 to the WIA Formula Youth Program, and \$1,118 to the ARRA Dislocated Worker Program. The supporting documents did not identify the program that benefited from the costs. We noted similar findings in our prior four years' monitoring reviews of the Agency.
- Over-billed CSS \$2,341 for utility expenditures. We noted a similar finding during our prior year's monitoring review of the Agency.
- Billed CSS \$2,000 for gift cards that were not issued to WIA participants in FY 2009-10.

In addition, Compton CareerLink did not obtain a tuition cap waiver from CSS before establishing an Individual Training Account (ITA) in excess of the County's ITA

maximum, as required by WIA Directive LACOD-WIAD08-09. Compton CareerLink obtained the tuition cap waiver from CSS after establishing the ITA. We noted a similar finding during our prior year's monitoring review of the Agency.

**Recommendations****Compton CareerLink management:**

**Refer to Recommendations 4 and 5.**

- 7. Repay CSS \$7,572 (\$3,231 + \$2,341 + \$2,000), or provide adequate documentation to support the expenditures.**
- 8. Ensure that expenditures are billed accurately.**
- 9. Ensure that tuition cap waivers are obtained from CSS before establishing Individual Training Accounts.**
